

# OTT PLS 500 vs OTT PLS

Feature	OTT PLS 500	OTT PLS
Robust ceramic pressure cell	✓	✓
904L stainless steel housing resistant to sea water	✓	✓
Vented pressure probe to compensate for atmospheric pressure	✓	✓
Auto compensation for temperature effects on water density	✓	✓
SDI-12 communication	✓	✓
Modbus RTU communication	✓	✗
4...20mA analog communication	✗	✓
Internal computations on high frequency measurements allowing the output of statistics such as averages	✓	✗
Internal position and humidity sensors	✓	✗
Remote data verification via QA/QC and metadata flags	✓	✗
Derived parameters such as discharge measurements	✓	✗
