

Pressure sensors for water depth measurement

Hydrolab sondes are available with integrated pressure sensors that provide depth measurements.

| Depth Sensor | |
|--------------|---------------------------------------|
| Range | 0 ... 25m 0 ... 100m 0 ... 200m |
| Accuracy | ± 0.05m ± 0.05m ± 0.1m |
| Resolution | 0.01m 0.01m 0.1m |
