Customized
- **Accuracy**
2 cm

Staff gauges from OTT as basic equipment for every level / discharge gauging station. Depending on whether the staff gauge is to be mounted vertically or on a slope, you can choose between vertical or inclined staff gauges. Furthermore the staff gauges are available with 2 mm thick sheet steel or 5 mm thick cast aluminium.

Aluminium	
Weight	net approx. 2.5 kg per m
Length of staff gauge	200 - 1000 mm
